P E T I T I O N .

To the Honorable the Speaker and Members of the House of Representatives of the Commonwealth of Pennsylvania:

The petition and complaint of the undersigned respectfully sheweth :

'That they are citizens and qualified electors of the county of Cambria, and that a general election was held therein on the second Tuesday of October, in the year of our Lord one thousand eight hundred and fifty-eight, and they voted at the said general election therein, for the office of member of the House of Representatives, for and on behalf of the said county of Cambria.

Your petitioners further show, that it has been returned, that at said election Thomas H. Porter received 2,091 votes for the office of member of the House of Representatives, for and on behalf of the county aforesaid, and that Richard J. Proudfoot received 1,779 votes for the said office, and that said Thomas H. Porter has been returned as elected thereto by a majority of 312 votes, which your petitioners charge to be a false return, and undue election of the said Thomas H. Porter as member of the House of Representatives, for and on behalf of the said county ; and your petitioners contest the right of the said Thomas H. Porter to the said office of member of the House of Representatives, for and on behalf of said county.

That the said election and the said return of the said Thomas H. Porter as member of the House of Representatives as aforesaid, is false, fraudulent and untrue in this :

That at the said general election, two candidates to the office of member of the House of Representatives, for and on behalf of the county aforesaid, were voted for, to wit : The said Thomas H. Porter, who was unduly returned as having received for the said office 2,091 votes, and the said Richard J. Proudfoot, who was returned as having received 1,779 votes for said office.

Whereas, your petitioners allege, charge and verily believe that the said Thomas H. Porter received not more than 1,690 legal votes for said office, and that the said Richard J. Proudfoot received at least 1,758 legal votes for said office. Whereby your petitioners allege, and charge, and believe that the said Richard J. Proudfoot has received the highest number of legal votes for the said office, to wit : at least sixty-eight legal votes more than the said Thomas H. Porter.

Whereby the said Richard J. Proudfoot is elected to the said office of member of the House of Representatives, for and on behalf of the county aforesaid, and should have been so returned. And your petitioners specify more particularly the following grounds of contest :

First. That the general return of the return judges of said election was a false return in this : That it includes the return of the votes purporting to have been cast in the township of Washington, in the said county, for member of the House of Representatives, for and on behalf of the said county, which should not have been taken and counted in the said general return.

That the number of votes purporting by the said false return to have been

were 401 votes for the said Thomas H. Porter, and 21 votes for the said Richard J. Proudfoot, in the said township of Washington.

That the said return of 401 votes for the said Thomas H. Porter, and 21 votes for the said Richard J. Proudfoot, in the said township of Washington, should have been excluded from the general return of the said return judges, for this: That the said return of 401 votes for the said Thomas H. Porter, and 21 votes for the said Richard J. Proudfoot, in the said township of Washington, for the office of member of the House of Representatives as aforesaid, was false, fraudulent and untrue.

And that the said return of 401 votes for the said Thomas H. Porter, and 21 votes for the said Richard J. Proudfoot, in the said township of Washington, for the office of member of the House of Representatives, for and on behalf of the said county, should have been excluded from the general return of the said return judges for this: That the said election for the office of member of the House of Representatives as aforesaid, was falsely, fraudulently, illegally and unduly held in the said township of Washington, and should have been regarded as wholly void, and of no effect whatsoever.

Second. That the person who acted as judge of the said election, so as aforesaid held in the township of Washington, in the said county, to wit: Albert F. Cantwell, was wholly incapacitated to act as such judge; for that he said Albert F. Cantwell, before and at the time he so acted as judge of the said election, so as aforesaid held in the said township of Washington, was holding and exercising an office and appointment of trust and profit under the government of the United States, to wit: the office of post master at Sonnan, in the said county.

Third. That Werner Bender, who acted as one of the inspectors of the said election, so as aforesaid held in the said township of Washington, in the said county, was wholly incapacitated to act as such inspector; for that the said Werner Bender was and is deficient in a knowledge of the English language, and could not, therefore, perform the duties of the said office of inspector in conformity with the intention and spirit of the act of Assembly in such case made and provided.

That the said Werner Bender was legally incapacitated to act as such inspector in this: That he was falsely, unduly and illegally appointed to said office of inspector by Albert F. Cantwell, the person who, as aforesaid, acted as judge of the election so as aforesaid held in the said township of Washington.

That the appointment of the said Werner Bender as inspector as aforesaid, by the said Albert F. Cantwell, as aforesaid, was false, undue and illegal in this:

That at an election held in the said township of Washington, on the nineteenth day of February, in the year of our Lord one thousand eight hundred and fifty-eight, for judge and inspectors to conduct the said election, so as aforesaid held in the said township of Washington, on the second Tuesday of October last, Joseph Crist received the second highest number of votes for judge, and Michael Moyer received the second highest number of votes for inspector of the said last named election.

Whereby the said Michael Moyer was duly elected an inspector of the said last named election, so as aforesaid held in the said township of Washington.

That the said Michael Moyer having received the second highest number of votes for, and being duly elected inspector of the said last named election as aforesaid, did not attend and act as such inspector of the said last named election.

Whereby it then and there became and was the right and duty of the said Joseph Crist, ~~he having received the second highest number of votes for~~

judge as aforesaid,) to act in the place and stead of the said Michael Moyer, as inspector of the said last named election, so as aforesaid held in the said township of Washington.

Nevertheless, the said Werner Bender, by the said Albert F. Cantwell, was so as aforesaid falsely, fraudulently and illegally appointed an inspector of the said last named election, in the place and stead of the said Michael Moyer. And the said Werner Bender, in pursuance of the said false, fraudulent and illegal appointment, so made by the said Albert F. Cantwell, acting as judge of the said last named election as aforesaid, did unduly and illegally act in the place and stead of the said Michael Moyer, as inspector of the said last named election, so as aforesaid held in the said township of Washington.

That the appointment of the said Werner Bender as inspector of the said election was also false, fraudulent and illegal in this:

That the said appointment was made by the person who acted as judge of the said election, to wit: The said Albert F. Cantwell, who was as aforesaid legally incapacitated to act as such judge, by reason of his being at the same time an officer under the government of the United States.

Fourth. That John Short, who acted as one of the clerks of the said election, so as aforesaid held in the said township of Washington, on the second Tuesday of October last, was legally disqualified and unfit to act as such clerk, for that the said John Short was appointed to said office of clerk by the said Werner Bender, who as aforesaid acted as one of the inspectors of the said election.

That the appointment of the said John Short, as one of the clerks of the said election, was false, undue and illegal in this:

That the said appointment was made by the said Werner Bender, and the said John Short accepted and acted under the said appointment, as one of the clerks of the said election, whilst he, the said Werner Bender, falsely, unduly and illegally, as aforesaid, acted as one of the inspectors of the said election.

And for further specification in this behalf, your petitioners respectfully refer your honorable body to specification No. 3, hereinbefore set forth.

Fifth. That Charles Geiseman, who acted as one of the clerks of the said election, so as aforesaid held in the said township of Washington, on the second Tuesday of October last, was legally disqualified and unfit to act as such clerk, and that his appointment to, and his acts in the said office of clerk, were false, fraudulent, undue and illegal.

That the appointment of the said Charles Geiseman to the said office of clerk, and his acts therein, were false, fraudulent, undue and illegal in this:

That before and at the time he was so appointed to and acted in the said office of clerk of the said election, the said Charles Geiseman was holding and exercising an office of trust under the government of the United States, to wit: the office of deputy post master at Sonman, in the said county. In which said office of deputy post master the said Charles Geiseman was subordinate to the said Albert F. Cantwell, who, as aforesaid, acted as judge of the said election.

That the appointment of the said Charles Geiseman to the said office of clerk, and his acts therein, were false, fraudulent, undue and illegal in this:

That at the time he was so appointed to and acted in the said office of clerk of the said election, the said Charles Geiseman was, as your petitioners believe, an unnaturalized foreigner.

Sixth. That Albert F. Cantwell, who acted as judge of the said election, so as aforesaid held in the said township of Washington, on the second Tuesday of October last, was not legally qualified to act as such judge, for that the oath or affirmation prescribed in that behalf was not administered to the said

wAlbert F. Cantwell, before entering upon the duties of the said office, by an Officer authorized to administer such oath or affirmation.

That Henry Reusch who acted as an inspector of the said election, so as aforesaid held in the said township of Washington, on the second Tuesday of October last, was not legally qualified to act as such inspector, for that the oath or affirmation prescribed in that behalf was not administered to the said Henry Reusch, before entering upon the duties of the said office, by an officer unauthorized to administer such oath or affirmation.

sa That Werner Bender, who acted as an inspector of the said election, so as aforesaid held in the said township of Washington, on the second Tuesday of October last, was not legally qualified to act as such inspector, for that the oath or affirmation prescribed in that behalf was not administered to the said Werner Bender, before entering upon the duties of the said office, by an officer unauthorized to administer such oath or affirmation.

m That John Short, who acted as a clerk of the said election, so as aforesaid held in the said township of Washington, on the second Tuesday of October last, was not legally qualified to act as such clerk ; for that the oath or affirmation

prescribed in that behalf was not administered to the said John Short, before entering upon the duties of the said office, by an officer authorized to administer such oath or affirmation.

h That Charles Geiseman, who acted as a clerk of the said election, so as aforesaid held in the said township of Washington, on the second Tuesday of October last, was not legally qualified to act as such clerk ; for that the oath or affirmation prescribed in that behalf, was not administered to the said Charles Geiseman, before entering upon the duties of the said office, by an officer authorized to administer such oath or affirmation.

el But, as appears by the certificates of the oaths of the said Albert F. Cantwell, the said Henry Reusch, the said Werner Bender, the said John Short, and the said Charles Geiseman, falsely, fraudulently, unduly and illegally delivered to the prothonotary of the court of common pleas of the said county, the said Albert F. Cantwell, Henry Reusch, Werner Bender, John Short and Charles Geiseman severally took and subscribed the oaths prescribed for the respective offices in which they so as aforesaid acted, before a certain F. M. George, who certified to the said oaths respectively, in the official character of a justice of the peace.

is Whereas your petitioners allege and charge, that the said F. M. George was not a justice of the peace at the time he administered and certified the oaths of the officers who conducted the said election aforesaid ; but that the said F. M. George then and there assumed the character of a justice of the peace without any right, power or authority whatever to act as such.

Whereby the said Albert F. Cantwell, Henry Reusch, Werner Bender, John Short and Charles Geiseman were not legally qualified to act as officers of the said election.

if Seventh. That your petitioners believe, and so charge, that the officers of the said election so as aforesaid held in the said township of Washington, did wilfully and fraudulently neglect to have and keep at the said election a list of the taxable inhabitants of the said township.

Eighth. That your petitioners believe, and so charge, that the inspectors of the election so as aforesaid held in the said township of Washington, did wilfully and fraudulently neglect to mark the letter "V" opposite the name of the voter upon the assessment list at the time he voted.

if Ninth. That your petitioners believe, and so charge, that the inspectors of the election so as aforesaid held in the said township of Washington, did wilfully and fraudulently neglect to add to such assessment, with the word

"Tax" or "Age" written opposite thereto the name of such person as did

not appear upon the said assessment, but who was afterwards returned as having voted at the said election.

Tenth. That the clerks of the said election so as aforesaid held in the said township of Washington, did wilfully and fraudulently neglect to note upon the lists of voters kept by them, the word "Tax," or "Age," opposite the name of any person returned as a voter at the said election, whose name did not appear upon the assessment list.

Eleventh. That the inspectors of the election so as aforesaid held in the said township of Washington, did wilfully and fraudulently neglect to receive proofs of the right of persons to vote at the said election, whose names were not upon the assessment list, but who were afterwards returned as having voted at the said election.

Twelfth. That the inspectors of the election so as aforesaid held in the said township of Washington, did wilfully and fraudulently neglect and refuse to swear persons whose names did not appear upon the assessment list, but who were afterwards returned as having voted at the said election, that they had not removed within the said township for the mere purpose of voting therein, but in pursuance of their lawful calling.

Thirteenth. That your petitioners believe and so charge, that, except in a single instance hereinafter mentioned, the inspectors of the election so as aforesaid held in the township of Washington, did wilfully and fraudulently neglect to require and receive proof or inquire into the right to vote, of any person whom they afterwards returned as having voted at the said election; although, as appears by the schedule hereunto appended and marked No. 1, and which your petitioners pray may be considered as part of this specification, 260 persons were returned by the said officers as having voted at the said election, whose names did not appear upon the assessment list.

The exception hereinbefore referred to, was in the case of Jacob Beck, who was required by the said inspectors to produce evidence of his having been naturalized before voting. But your petitioners represent, that the name of the said Jacob Beck appeared upon the said assessment list.

Fourteenth. That the officers of the election so as aforesaid held in the said township of Washington, did wilfully and fraudulently neglect and omit to require and receive proofs of the right to vote at said election, of any or either of the 260 persons whose names appear on the schedule hereto appended and marked No. 1, although each and all of the persons whose names appear upon the said schedule were returned by the said officers as having voted at the said election.

Which schedule, marked No. 1, as aforesaid, your petitioners pray may be considered as part of this specification.

Fifteenth. That your petitioners believe and so charge, that the officers of the said election so as aforesaid held in the said township of Washington, did wilfully and fraudulently count and tally votes to the number of 260 and upwards, which had not been voted by the qualified electors of said township of Washington, but which had been fraudulently thrown into the box by the said officers, or with their knowledge and connivance.

Sixteenth. That your petitioners believe and so charge, that the officers of the said election so as aforesaid held in the said township of Washington, did wilfully and fraudulently count and tally votes to the number of 260 and upwards, and return the same for persons who had not voted at said election; but which votes had been fraudulently thrown into the box by the said officers, with intent to make an undue return of votes for the said Thomas H. Porter, for member of the House of Representatives as aforesaid.

Seventeenth. That the officers of the election so as aforesaid held in the said township of Washington, with the intent and purpose of holding an

ndue election, and making a false return of votes for the said Thomas H. Porter, for member of the House of Representatives as aforesaid, did wilfully and fraudulently return the names of William Jones, Terance Rice, Charles Geiseman and Hugh Kernan, as having severally voted at the said election.

Whereas, your petitioners believe and so charge, that although all the said names appeared upon the assessment list, yet the said William Jones, Terance Rice and Charles Geiseman, were unnaturalized foreigners and had no right to vote, whilst the said Hugh Kernan did not vote at all at said election.

That with such intent and purpose, the said officers did unduly and illegally return the name of Werner Bender, who was an inspector of the said election as aforesaid, as having voted twice at the said election.

And your petitioners hereunto append schedule No. 2, showing the names of persons returned as voters at said election, whose names were upon the assessment list, which schedule may be considered as part of this specification and petition.

Eighteenth. That the officers of the said election so as aforesaid held in the said township of Washington, with the intent and purpose of making a false return of votes therefrom for the said Thomas H. Porter, for the office aforesaid, did wilfully and fraudulently count and tally votes, and make return thereof, in the names of persons to the number of 10, whose names will appear on the schedule hereto appended and marked No. 1, which schedule may be considered as part of this specification, none of whom resided in the said township at the time of the said election, and none of whose names appeared upon the said assessment list.

Nineteenth. That the officers of the said election, so as aforesaid held in the said township of Washington, with the intent and purpose of making a false return of votes therefrom for the said Thomas H. Porter, did wilfully and fraudulently count and tally votes and make return thereof for persons to the number of two, whose names will appear on the schedule hereunto appended, and marked No. 1, which may be considered as part of this specification, both of which persons were dead many years before the said election.

Twentieth. That the officers of the said election, so as aforesaid held in the said township of Washington, with the intent and purpose of making a false and undue return of votes therefrom for the said Thomas H. Porter, did wilfully and fraudulently count and tally votes, and make return thereof for a large number of persons, to wit: to the number of 260 and upwards, none of whom voted at the said election; the names of whom will appear on the schedule hereunto appended and marked No. 1, which may be considered as part of this specification.

And your petitioners believe and so charge, that the election so as aforesaid held and conducted in the said township of Washington, was so held and conducted by the said officers, under and in pursuance of a previous combination between a majority of the said officers, to open and conduct an illegal and fraudulent election.

That with such intent and purpose, the said Albert F. Cantwell acted as judge of the said election.

That with such intent and purpose, the said Werner Bender was appointed an inspector of the said election; the said Werner Bender being at the time deficient in a knowledge of the English language, ignorant of the duties of his office, and a fit subject to be imposed upon.

That with such intent and purpose, the said John Short was appointed to and acted in the office of clerk of the said election.

That with such intent and purpose, the said Charles Geiseman was appointed and acted as one of the clerks of the said election; the said Charles Geise-

man being at the time a subordinate to the said Albert F. Cantwell, and discharging the duties of an office under the General Government.

That with such intent and purpose, the said officers were sworn by F. M. George, who usurped the office of a justice of the peace for the occasion, with the knowledge and connivance of the said officers, or some of them.

That with such intent and purpose, the said election officers neglected to have and keep before them, as they were required to do, the laws of this Commonwealth prescribing the mode of conducting elections, and the qualifications of voters.

That with such intent and purpose, the said election officers commanded the assessor of the said township, to wit: Arthur Strom, to leave the place of holding the said election; and that this, whilst the said assessor was there to perform the duties enjoined upon him by law.

That with such intent and purpose, Alexander M. White, Richard White and F. M. George, were admitted into the election room whilst the officers of the said election were engaged in counting the votes.

That with such intent and purpose, the boxes containing the tickets voted at the said election were not bound round with tape, and sealed by the inspectors and judge, in the manner required by law.

That with such intent and purpose, the boxes containing the tickets voted at the said election were not delivered to the nearest justice of the peace in the time and manner required by law. That, on the contrary, the said boxes were delivered to F. M. George, a private citizen of Washington township, who was in nowise commissioned or qualified to act as a justice of the peace.

That with such intent and purpose, and with the desire of holding an undue election, and making a false return of votes cast for member of the House of Representatives, for and on behalf of the said county, at said election, the said election officers did wilfully and fraudulently neglect and refuse to perform their most important duties which the law directs them to perform, in order to prevent and detect the perpetration of fraud; which neglect of duty on the part of the said officers is hereinbefore fully specified.

That with such intent and purpose, and with the desire of holding an undue election and making a false return of votes for member of the House of Representatives as aforesaid, the said election officers did wilfully and fraudulently add to the lists of voters kept by the clerks of the said election, and return as voters, the names appearing upon the schedule hereunto annexed and marked No. 1, to be taken as part of this specification. Some of which names are the names of persons deceased, and non-residents of the said township, but the majority thereof, your petitioners believe to be wholly fictitious and fabricated.

Wherefore your petitioners show, that the said election so as aforesaid held in the said township of Washington, on the second Tuesday of October last, was not a fair election, held and conducted according to the requirements of the law, but was a fraud contemplated and directed by the officers of the said election.

That said election was not a fair election, held and conducted according to the spirit and intent of the law, but was a wicked and fraudulent attempt to defeat the will of a majority of the qualified electors of the said county.

And that said election was, in all respects, unfair, unjust, illegal, fraudulent and void, and the returns thereof ought to be entirely disregarded.

Whereby your petitioners allege and charge and believe, that the return of votes cast for member of the House of Representatives, at the election so as aforesaid held in the said township of Washington, to wit: 401 votes for the said Thomas H. Porter, and 21 votes for the said Richard J. Proudfoot,

is false, fraudulent, illegal and void, and should not, therefore, have been included in the general return of the return judges of the said county.

Wherefore your petitioners show, that at the general election held in the County of Cambria, on the second Tuesday of October, Anno Domini one thousand eight hundred and fifty-eight, and by the means aforesaid, Richard J. Proudfoot was duly elected to the office of member of the House of Representatives for and on behalf of the county of Cambria aforesaid, the said Richard J. Proudfoot having received more legal votes than were given for Thomas H. Porter, or for any other person, and that, therefore, the election was undue, and the return false in declaring and returning the said Thomas H. Porter as duly elected to the said office.

Your petitioners therefore pray your honorable body to select a committee to hear and determine this complaint: And that the said committee may make such orders as may be necessary to exhibit the aforesaid undue and false return, together with every matter and thing touching the same: And that the said committee will order, adjudge and report that the said return of the said Thomas H. Porter to the office of member of the House of Representatives, for and on behalf of the said county of Cambria, is false, fraudulent, illegal and void; and that the said Richard J. Proudfoot, having received the greatest number of legal votes is duly elected to the said office, and entitled to his seat: And that your honorable body will take such other action in the premises as you may deem meet.

And your petitioners, as in duty bound, will ever pray, &c.
